## JAL PAKHWADA

# 2026

"Every Drop Counts"

# SAVE WATER, SECURE THE FUTURE

Water is our most precious resource, essential for life and the future of our planet. Air Force School Jamnagar's Jal Pakhwada 2026 campaign calls upon every student and citizen to protect this vital resource through conscious conservation efforts.

**Save Water Before It's Too Late**

**Conserve Today for Tomorrow**

**Every Drop Counts – Act Now**

# WATER CONSERVATION PRACTICES

Jal Pakhwada 2026 – Air Force School Jamnagar presents essential water-saving methods. Every drop counts in securing our future. Learn these simple yet powerful practices to protect our precious water resources.

**01**

**Rainwater  
Harvesting for  
Sustainable Supply**

**02**

**Responsible Tap  
Usage Every Day**

**03**

**Protecting Natural  
Water Sources**

# CLEAN ENVIRONMENT IMPACT

A clean environment starts with water conservation. When we protect our water sources, we nurture our rivers, sustain our forests, and ensure clean air for generations. Join Air Force School Jamnagar in making every drop count during Jal Pakhwada 2026. Together, we can create a greener, healthier future for our community and nation.

**Plant Trees Near Water Sources**

**Keep Rivers & Lakes Clean**

**Participate in Community Drives**
