

SAVE WATER & SAVE ENVIRONMENT

Theme of the Month

PINK

Colour of the Month

1 School Reopening

22nd June 2026

After summer break session began with great enthusiasm and positivity. The school reopened on 22st June 2026 for LKG, UKG and Balvatika students. Students were warmly welcomed into a cheerful and safe environment, helping them adjust comfortably to the normal routine.

2 International Yoga Day

22nd June 2026

Our school celebrated the day with great enthusiasm. Students and teachers gathered for a special yoga session, where they performed various asanas, breathing exercises, and meditation under the guidance of their teachers. The event helped students understand the benefits of yoga, such as improving concentration, flexibility, fitness, and mental

3 World Music Day

23rd June 2026

Our kindergarten celebrated the day with great excitement and enthusiasm. The children enjoyed singing songs and dancing to cheerful music. They also participated in fun activities such as identifying different musical instruments. The celebration helped children develop confidence, creativity, listening skills, and a love for music.

4 Activity – In and Out Game

1st July 2026

The “In and Out” game was conducted as a fun and engaging activity. Children followed simple instructions to jump in and out of a circle while listening carefully to the teacher. It improved listening skills, coordination, balance, and body movement.

5 Activity – Paper Bag Making

8th July 2026

Children enjoyed folding, pasting and decorating paper to make their own colourful bags. The activity developed fine motor skills, creativity, hand-eye coordination and confidence, while encouraging the use of eco-friendly and reusable materials.

6 Activity – Join the Dots

8th July 2026

A fun and engaging Join the Dots Activity was conducted for Balvatika 1 children. They joined dots carefully to complete simple pictures, improving hand-eye coordination, pencil control, concentration and number recognition.

7 Mock Drill – Terrorist Attack

8th July 2026

A safety drill was conducted to prepare students for unexpected situations. They were guided on how to respond calmly and follow instructions. The activity was conducted in a simple and age-appropriate manner to build awareness.

8 Celebration – Guru Purnima

10th July 2026

Guru Purnima was celebrated with great respect and enthusiasm. Students expressed gratitude towards their teachers through prayers, speeches, songs, dance and creative presentations. The celebration helped children understand the importance of respecting teachers and being grateful for knowledge and values.

9

Guest Parent Lecture

13th July 2026

Nikita Hathi, mother of Veeraj Hathi, spoke on the topic Save Earth. Students learned that Earth is our home and we all have a responsibility to protect it, making it both informative and enjoyable.

10

Competition – Kalabharati Art

15th July 2026

A Kalabharati Art Competition was organised for kindergarten children to encourage creativity and artistic expression. The little artists enthusiastically participated in colouring, creating beautiful artwork and handwriting.

11

Field Trip

15th July 2026

Students were taken on a short field trip within the school premises. They were introduced to the HM office, Computer Lab, Library and Music Room. This helped students become familiar with their surroundings and feel more secure.

12 Mock Drill – Fire Safety

17th July 2026

A fire mock drill was organized to teach students about fire safety. They were shown emergency exit routes and instructed on how to respond during such situations. The drill helped build awareness and preparedness among students.

13 Activity – Ear Bud Printing

22nd July 2026

Children used ear buds dipped in colourful paint to create beautiful pictures. The activity helped develop fine motor skills, hand-eye coordination, creativity and colour recognition.

14 Awareness Message – Chandipura Virus

22nd July 2026

An awareness message was conducted in a simple and age-appropriate manner. Children learned the importance of keeping their hands and surroundings clean, following good hygiene habits and staying protected from insect bites.

PINK DAY • 31st JULY 2026

Celebration postponed due to heavy rainfall.

We look forward to celebrating together when conditions are suitable!

SPECIAL OBSERVANCE KARGIL DIWAS

4th May 2026 • Date as recorded in the monthly report

Kargil Vijay Diwas was observed in our school with great respect and patriotism. Students learned about the courage, dedication and sacrifice of Indian soldiers and expressed gratitude. The celebration inspired students to value patriotism, courage and love for the nation.

OUR MESSAGE TO OUR LITTLE LEARNERS

Be kind. Be curious. Be responsible.

Every activity gives children an opportunity to explore, create, move, listen, care and grow. Together, we can build happy habits and a greener tomorrow.

See you after the break!

School reopens on 22nd June 2026
