REMINDERS

For Balvatika I to Class 5:

- Practice washing your hands regularly.
- Keep yourself and your surroundings clean.
- Make cleanliness a daily habit!

A month full of moments to cherish..

FROM THE HEADMISTRESS'S DESK

Dear Parents,

August was a busy month, full of small moments that added up to something bigger. Between celebrations, art projects, and the everyday rhythm of school life, there was rarely a dull day.

This month's focus on Health and Hygiene turned out to be a good reminder that staying healthy isn't something you do occasionally; it's a habit built day by day.

Looking back at the month's photographs, I don't just see activities — I see children figuring things out for themselves, teachers putting in extra effort without being asked, friendships taking shape, and a school that feels genuinely alive.

To our students: keep asking questions, keep trying things you haven't tried before, and don't let an early school bell dampen your spirit.

To our teachers: thank you for making ordinary school days into ones our children will actually remember.

And to our parents: thank you for walking this journey with us as we raise children who are happy, healthy, and sure of themselves.

Warm regards,
Ms Paras Rathod
Headmistress

PERIODIC TEST – II

Primary students of Classes I to V appeared for Periodic Test-2.

With preparation, confidence and determination, our students embraced each assessment as an opportunity to reflect, learn and grow.

EARTHQUAKE SAFETY DRILL

Safety takes practice! 🚒☀️

Our students and staff participated in an Earthquake Safety Drill to learn how to respond calmly and safely during an earthquake.

PARENT-TEACHER MEETING

PTM-II was held on 22 August 2026 for Classes I to 5. The meeting was filled with encouraging conversations, valuable insights and shared aspirations, strengthening the partnership between home and school.

A month full of moments to cherish..

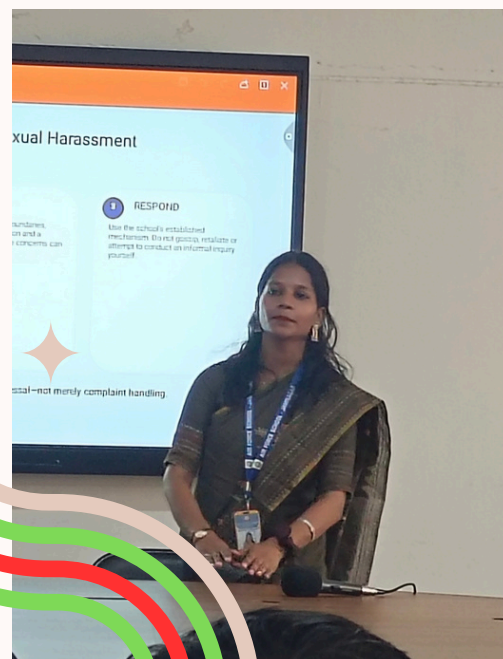

What Our Parents Say!

Our PTM Feedback Board captured happy thoughts, heartfelt messages and wonderful suggestions from our parent community! ✨

Workshop on POCSO and POSH

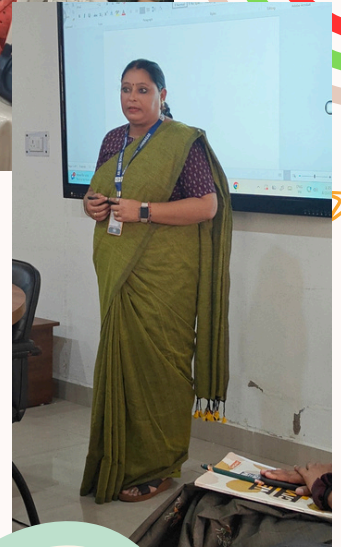

The workshop was conducted by Ms Nikita Singh (TGT HWT) for PRT, TGT & PGT teachers. The session emphasized child safety, personal boundaries, gender sensitivity and reporting mechanisms.

A month full of moments to cherish..

Workshop on AI (Artificial Intelligence) and CT (Computational thinking)

The workshop was conducted by Ms Amita Pandey for the teachers of PRT, TGT and PGT on 22 August 2026. The workshop aimed to enhance teacher's understanding of modern technology and its effective use in the field of education.

Hindi Olympiad

Students of Classes 1 to 5 participated in the Hindi Olympiad on 18 August 2026, showcasing their language & vocabulary skills.

INVESTITURE CEREMONY

A moment of pride, promise and new beginnings! ✨ Our young leaders from Class 5 stepped forward with confidence as they took on their new responsibilities during the Investiture Ceremony. With badges pinned and responsibilities entrusted, they embraced the opportunity to lead, serve and inspire.

CELEBRATIONS

PINK DAY

Pink took over the classrooms as children from Balvatika I to Class I celebrated Pink Day! From cheerful outfits to playful learning experiences, the day was filled with colour, smiles and plenty of pink.

INDEPENDENCE DAY

The celebrations 14 & 15 August brought the spirit of patriotism to our school.  Through meaningful celebrations and patriotic fervour, our students came together to honour the freedom, unity and values that define our nation.

A month full of moments to cherish..

ONAM CELEBRATION

A touch of Kerala came alive at school with the celebration of Onam! Students discovered the beauty of this harvest festival through its colours, traditions and festive spirit.

WHY CHILDHOOD SHOULD BE CHERISHED?

Childhood is made up of little things—a silly joke, a new friendship, a rainy-day game, a colourful drawing or simply laughing with friends. These moments may seem ordinary today, but they often become our happiest memories tomorrow. As teachers, we sometimes get so focused on lessons, homework and achievements that we forget to pause and enjoy these little moments with our children. Let children ask questions, make mistakes, play, imagine and laugh. Let them enjoy the magic of being young. After all, childhood passes quickly, but the memories of it stay with us forever.

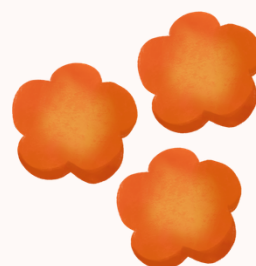

Warm Regards
Ms. Bhoomi Ruparel
NTT

A month full of moments to cherish..

RAKSHA BANDHAN CELEBRATION

Sibling love was in the air as students from Balvatika I to Class V celebrated Raksha Bandhan. 💕 Colourful Rakhis, heartfelt wishes and the joy of sibling bonds made the occasion truly special.

ORANGE DAY

A burst of orange brightened the school as Balvatika I to Class I celebrated Orange Day! 🍊💕 Through colour, play and joyful experiences, our little ones discovered the warmth and energy associated with their special colour.

A month full of moments to cherish..

GUEST PARENT LECTURE

The guest parent, Dr Kiran Negi (mother of Sukanya Aswal), spoke on the topic Healthy food. Children learned about the importance of eating nutritious foods such as fruits, vegetables, milk, and whole grains. The session encouraged students Balvatika I, II and III to develop healthy eating habits and make nutritious food choices.

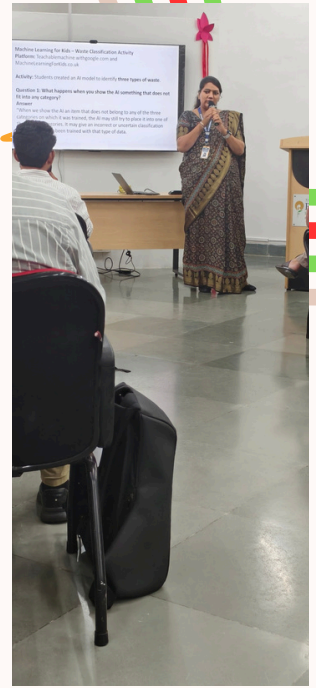

BOTANICAL GARDEN FIELD TRIP

A little adventure unfolded right within our school campus! 🌱 On 10 August, students visited the Botanical Garden, where they explored colourful blooms, observed different plants and experienced nature up close. From curious questions to excited discoveries, the visit turned the garden into a living classroom—reminding our children that there is always something new to notice, explore and learn.
